**YORK-WEST 5 PIN BOWLERS ASSOCIATION**

The York — West 5 Pin Bowlers Association which was formed in the Fall of 1964 — has made tremendous strides in its efforts to organize, sponsor and promote the game of 5 Pin Bowling throughout York West and particularly through its Member Establishments.

Under the very able leadership of Fred Pechaluk and Earl Jones — the 1965-66 Executive is made up as follows — President — Fred Pechaluk, Vice-President — Earl Jones, Secretary — Betty De Caire (Jr.), Treasurer — Bert Sheehan, Publicity — Harold Knauff, Advisory and Social Committee — Don McLean and Fred Hall, Executive Assistant — Ella Pechaluk, Convenors — Al Snow, Paul Christmas, Lloyd Bramhill, Ray Sawchuck, Oscar Housley Percy Chantler, Marg Holmes, Stella Marteinson and Fran Bunston.

During the 1964-65 Season — a number of tournaments were held for the "average" Bowler which proved a tremendous success — while Youth Bowling also received plenty of attention and support. In the latter category York West are extremely proud of its Youth Bowlers who have gained considerable distinction — not only in the O.B.C. Provincial Championships — but also in tournament play with Master Bowlers

Association.

During recent years — the "name" Bowlers from York-West have also been in the "limelight" and gained numerous headlines for their individual and collective achievements in Major League Play, House Tournaments, Master Bowling Association Tournaments as well as Eastern-Canada and Canadian Championships.

Space does not permit listing all the individual and collective achievements of York West Bowlers — however several highlights would have to be — Ken Roy of Plantation Bowl winning three Master Bowler Tournaments during the current season while Jean Knauff of New Toronto Bowl captured two Master Bowlers Tournaments during the 1964/65 season and also threw in a perfect game in City Major League Play.

In East — West Canadian Championship Play — the York — West Men's Team captured the Canadian title in 1963 at London Ontario with a record pin-fall of 12,777 (a record score which still stands). The Men's Team are defending champions — having again won the Canadian Crown in 1965 at Kitchener Ontario — while the Mixed Team captured the Eastern — Canada title only to lose out to Vancouver in the Canadian final.

## YOUTH BOWLING COUNCIL

The Y.B.C. is in the third year of operation and has grown by leaps and bounds to become the largest youth Bowlers Association in Canadian History.

How did the Y.B.C. get started and what are the aims of the Y.B.C.?

The Bowling Proprietors' Association of Ontario, some 3 years ago came to the realization that to insure the future of bowling, the B.P.A.O. must take an active part in providing a Youth Bowling Program.

A plan was presented to members of the B.P.A.O. and was enthusiastically received and the Y.B.C. was off and running. Last season the Program was offered to Proprietors' Associations across Canada and the membership exceeded 25,000 Young Bowlers.

This season the Y.B.C. Program was added to with the addition of more High Score Awards and the Award Record

Boards that provide visual proof of our Young Bowlers skill.

The children pay a registration Fee of \$1.00 each year. The High Score Awards and all crests are provided free of charge. Many events are held, such as the;

"Family Twosomes"

"Zone Finals"

"Provincial Championships"

"Master Bantam Tournament"

"Master Junior Tournament"

and this year the singles, and doubles Champions of all Provinces will fly to Vancouver at Easter for the "National Youth Bowling Championships".

The children will be spending a wonderful 4 days of bowling, sightseeing, etc., and the winners will be crowned "Youth Bowling Champions of Canada".

Credit for the continuing success of the Youth Bowling Council must go to those Tireless Volunteers, the supervisors, Coaches and instructors who give so much of their time to assist our Young Bowlers.

**HOW & WHY  
THE SUDBURY & DISTRICT  
BOWLERS ASSOCIATION WAS  
FORMED**

The Sudbury & District Bowlers Association was formed last year, mainly by the efforts of Paul Doré. Paul who was already quite busy, serving on various executives as Secretary, had heard of association work being done in various areas throughout Ontario. He decided to find out if this would be a benefit to our own district.

By writing to Associations in Scarborough and Hamilton and talking to everyone connected with bowling in these cities he discovered that this would be a real boost to bowling in our area.

It was learned that forming a local Association we would be affiliated with a body that insists upon rules of play and that every bowler receives equal consideration, regardless of average.

It was learned that various tournaments were run by associations and were a great benefit to all bowlers concerned. Also there has been some record scores rolled in the North that were not registered and recognized by any organization. This could be corrected by our affiliation.

The promotion of our average bowler of improving they were satisfied to stay (125-185) was not being done and instead at this level. Through the Association these people would understand the game

much better and would try to get in to a higher average group.

One of the main aims of our association is to promote the Youth Bowling Leagues in our district. This is where the bowlers of all averages could be used, and the ability of our bowlers of to-morrow will be greatly improved.

These were just some of the many advantages of having a local association, and it was decided to call a meeting and elect an executive in order to improve the Sport of Bowling in our area and pass the information along to you.

**HOW TO JOIN**

You may do this by simply contacting any of executive or directors and have us meet with your League executive. We will be glad to supply your league with all the information we have.

President — Al Telfer 674-9767  
Vice-President — Ron Tait 674-6046  
Secretary — Bill Nickason 673-8568  
Secretary-Treas. — Gerry Albert
