To All local Association who are represented here today CONGRATULATIONS from us to you. Once again Carlings are offering \$7,500 in cash prizes, which brings together the top bowlers from all of Ontario. This year we believe we have an even stronger contingent so we will put up a good fight. Win or loose this is our sport and everyone is here for the Honour of representing their local association.

Central Ontario hasn't the largest membership of the local associations but in its four year history we have shown a steady increase in membership. Last year we gave out over 1600 crests and 75 pins. This year we have included a 200 and 225 crest to our cresting program and it has done a lot for the bowler with the 150 and less average. At the same time three local Tournaments "Christmas Roll-off" run in five classes had entries of over 600 which means that over 1/3 of the members took part. "180 and Under Average" and "240 and Under Average" which are both Handicap Tournaments gives the lower or average bowler a chance to participate. We realize they do make up the majority of our members.

A 400 Single, 900 Ladies, 1000 Men Club has been formed and with the assistance of the Bowling Proprietors they have been presented with a Bowling Shirt in our Association colours.

This year Central Ontario had introduced a gold pin to be presented to the 19 Zone qualifiers for the Ontario 5 Pin Championship. This will be presented with a bar for the year 1970. Each year a bar with the year will be presented for attaching. The pin is being made available for previous year's C.O.B.A. qualifiers if they so desire at our cost.
