

A W A R D S

The 1979 Colt 45 Open Ontario Five Pin Bowling Championships in Hamilton mark the 15th year of sponsorship of these Provincial Championships by Carling O'Keefe Breweries Limited.

Over the course of those 15 years, there have been only three bowlers in all of Ontario, and all of them women, who were skilled enough to make 15 consecutive appearances in the Ontario Championships. They are:

- JUNE DAVISON - London/Mid Elgin
- HELEN MacCALLUM - Hamilton/Nickel District/Huronia
- THEDA PROCHER - Toronto

Each of these ladies is to be presented in Hamilton with a handsome and elaborately engraved plaque, the first plaques of their kind, to mark 15 consecutive appearances in the Ontario Championships.

Members of only one of the 24 teams competing in Hamilton in each of the three categories can become Ontario Champions each year. Each and every bowler in Hamilton every year, however, is already a champion by virtue of victory in the earlier Zone Rounds across the province.

To be a consistent winner in those Zone Rounds is in itself a commendable achievement. It was with that thought in mind, one year ago, that the Ontario Bowlers Congress and Carling O'Keefe Breweries Limited instituted the new "Zone Champion Awards". Those attractive plaques are engraved as follows:

- ONTARIO BOWLERS CONGRESS
- CARLING O'KEEFE
- 10 YEAR
- ZONE CHAMPION AWARD
- Presented to

In recognition of 10 years of successfully qualifying to compete in the Carling O'Keefe Ontario Championships.

Last year, Carling O'Keefe and the OBC presented these plaques to 50 men and women from across Ontario. This year, 10 more bowlers are joining this impressive "honor roll" and will be presented with 10-year Zone Champion Awards. They are:

- JOAN CLARK.....Tri County
- RUTH DICKIESON.....Niagara
- RUTH GRANT.....St. Clair
- PEGGY HUGHES.....Toronto
- JOHN INGLIS.....Scarborough
- PAT MAHONEY.....Hamilton
- ARNOLD VESIK.....York West
- SUE WANKLIN.....Tri County
- EVELYN WOOD.....Hamilton
- CHRIS YALOWEGA.....York West

There are 47 men and women in Ontario who have received their 10 Year Zone Champion Awards, but have not yet qualified for 15 Year Awards. We wish them continued success as they strive to equal the feat achieved to date by only June Davison, Helen MacCallum and Theda Procher. They are as follows:

Congratulations are certainly in order from all of us involved as both players and administrators in the sport of five pin bowling in Ontario to all of the game's most skilled and experienced players listed above.

Carling O'Keefe and the Ontario Bowlers Congress are also greatly indebted to Cathy Heeney of Pickering, for the magnificent job she has done of compiling the preceding list of Zone Champions. Cathy's task in each of the past two years has involved an exhaustive search of records dating back 15 years. The job she has done is all the more impressive when you consider that in each of those 15 years, there were more than 450 men and women competing in the Ontario Championships. Thank you very much Cathy, for a job well done!

NEW ANNUAL TOURNAMENT
OFFERS \$14,500 PRIZE POOL

By Gord Passmore

One of the richest and most exciting tournaments to be developed in Ontario in many years will make its debut next month at Brampton Bowl.

The first annual "Flowertown Open" at Brampton Bowl, sponsored by J. Logue Foods Ltd., is set for Saturday, May 19th, 1979 with two eight-game qualifying rounds beginning at 9:00 a.m. and at 1:30 p.m.

Based on a full field of 128 entries, the "Flowertown Open" offers a total prize pool of \$14,500.00, with \$3,500.00 going to the 1979 Champion.

The prize pool makes the tournament one of the richest five pin events in Ontario, and we hope it will attract the most skilled competitors from across the province.

The format Pat Jepson and I have prepared for the "Flowertown Open" incorporates several different features from various other tournaments, and it promises to result in a competition which will prove most exciting for both bowlers and spectators.

Winners in the eight-game qualifying rounds for up to 128 bowlers, and in the five-game quarter-finals for 42 bowlers, will be decided on total flat pinfall.

Ten winners in the quarter-finals will advance to a match play round robin in the semi-final, and will play one match against each of the other nine winners. Points will be awarded for matches won and for every 50 pins bowled in each match.

The top five bowlers in the semi-finals, based on points accumulated, will then advance to a stepladder match play final, scheduled to start at 10:00 p.m.

Yours hosts at Brampton Bowl are excited about the format for this event, as well as the large prize pool. We are also particularly pleased at having been able to secure the sponsorship of the event by the distinguished Brampton catering firm, J. Logue Foods Ltd.

We are confident we'll fill the field with 128 bowlers, and we urge you to waste no time in entering. Entry forms can be obtained by contacting myself or Pat Jepson at (416) 459-2711, or by writing Brampton Bowl, 12 Beech Street, Brampton, Ontario. L6V 1V1

The tournament is sanctioned by the Ontario Bowlers Congress (No. AZ 836) and will be played under the rules of the Canadian 5 Pin Bowlers' Association.

Pat and I wish you all good luck and good pinfall in the 1979 Colt 45 Open Championships, and issue you all a warm invitation to make your next tournament appearance in the 1979 "Flowertown Open".
