## EAST WINS FIRST TITLE ON CBC TELEVISION SERIES

For the first time, an Ontario bowler has won the \$25,000 first prize in the CBC 5 Pin television championships.

Dave Pankoff of London, who is bowling here at Sherwood Centre on the London mixed team, defeated Don Malette of Sudbury 262-260 in the final game to earn the first prize. Earlier, Dave defeated Dianne Violini of Lethbridge Alberta 254-203, former Ontario bowler Ken Ruthven of Saskatchewan 269-260 and defending champion Ken Norris of Alberta 275-206. This summer, Dave will marry another London bowler, Brenda Heaney, and the \$25,000 will be a good start on their first house.

Our other Ontario representative was the defending Canadian champion, Ian Cameron, also of London. Ian bowled in week four of the five week series but lost his game 245-219 to Ron McLellan of British Columbia. Cameron earned \$500 for his effort.

This series was sponsored this year by the Bowling Proprietors Association of Canada and all bowlers should be thankful for their desire to project our sport through this television show. All indications are that the show will continue next year and this commitment by the proprietors is very important to the growth of 5 pin bowling.

In addition, we are also asking all bowlers to take the time to write the CBC to express their appreciation for this years show and a request for additional coverage next year. Write to:
