**THE ONTARIO OPEN**

It's great to see so many familiar faces meeting at Sherwood Centre to compete in the Ontario Open provincial championships.

Champions of their respective zones, they play on the lanes with the best of the best to earn bragging rights as Ontario champions and to proceed to represent their province in the Canadian Open. To be declared a provincial or national champion in your sport is a dream worth pursuing.

This marks the 38<sup>th</sup> year for the Ontario Open conducted by the Ontario 5 Pin Bowlers' Association with the assistance for over 20 years of the Hamilton and District 5 Pin Bowlers' Association.

So, that means there are another set of familiar faces at these prestigious championships.....the faces belonging to the dedicated Hamilton volunteers together with the Ontario Board of Directors and staff.

The same familiar faces continue to greet bowlers and visitors at the doors, sell programs, register bowlers, pick up score sheets, post scores, act as judges of play, keep bowlers on schedule, arrange hospitality nights and the banquet and do whatever else they can to make the tournament a continuous success.

While volunteers thrive on teamwork, it is fitting to single out one volunteer, who just this year has decided to reduce her volunteer efforts at the Open. Evelyn Wood has served as the engine that drives the Hamilton volunteers for many years. Those years started after she had starred on the lanes for many years, so hers has been a familiar face in both settings.....in the spotlight and behind the scenes.

May the familiar faces of the volunteers continue their excellent efforts blending with the striving for excellence on the lanes.
