March 2020

COVID-19

NOTICE FROM THE ONTARIO 5 PIN BOWLERS ASSOCIATION:

The Ontario 5 Pin Bowlers Association Board of Directors are concerned about our members and how the COVID-19 (coronavirus) situation could affect our upcoming championships. We continue to monitor the situation and will follow any recommendations from the Government of Ontario, the Government of Canada and the World Health Organization.

The health and safety of our members and other attendees at our events is the utmost priority and we continue to work with our partners as the situation progresses.

The Public Health Agency of Canada has assessed the public health risk to Canadians as low as of this publication (March 12, 2020), and recommends the risk from a specific situation on a case-by-case basis.

At this time, with our next Provincial event just under a month away, the O5PBA has not cancelled any events, but as new information comes in, this could change at any time. We will continue to communicate to our members when and if the situation changes.

The C5PBA has indicated that unless otherwise mandated by the Government of Canada, the 2020 Youth Challenge national championship will proceed as planned. Currently, all travel advisories are for international travel and cruises.
